THE MADNESS CONTINUES...

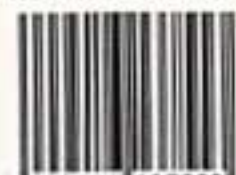

...with **THE ROCKY HORROR PICTURE SHOW**.
Playing in theaters since 1976, **ROCKY** will soon
celebrate it's Twentieth Anniversary.

Starting with the Fifteenth Anniversary, **CREATURES OF THE NIGHT II** continues the story of the success of **THE ROCKY HORROR PICTURE SHOW**. Taking a look at all of the special events that have occurred during the last five years, **CREATURES II** covers everything from the release of **ROCKY** on video and television, to fan support around the United States and the World.

Sal Piro, author of the first "Creatures of the Night" book, tells the story in a way that only a "true expert" of **ROCKY** could. Sal, president of the International Fan club for **THE ROCKY HORROR PICTURE SHOW**, takes a look at how the fans and audience participation has continued to grow and expand over the last five years. **TIME IS FLEETING, COME, JOIN IN...**
